UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

CALLISONS, INC., a Washington corporation,

Plaintiff,

vs.

KEY FARMS, INC., a Nevada Corporation;
KEY BROTHERS, INC., a Nevada corporation,
MIKE L. KEY; and R. DRUE KEY,

Defendants.

NO. 3:08-cv-00426-LRH-RAM

**STIPULATED
PROTECTIVE ORDER**

STIPULATED PROTECTIVE ORDER

The parties, by and through their undersigned counsel, hereby stipulate and agree as follows:

1. Any party or person producing documents and other materials after the effective date hereof may wish that certain materials not be made available to the other parties to this action on the basis that materials constitute or contain confidential and sensitive business

1 information.

2 2. Any party or person that wishes that certain documents or the information
3 contained in the documents be subject to the provisions of this Stipulated Protective Order may
4 stamp or label the documents "CONFIDENTIAL." Such designation constitutes a good faith
5 belief by the producing party that the document, or portion thereof, designated as
6 "CONFIDENTIAL" is or contains confidential commercial information within the meaning of
7 Federal Rule of Civil Procedure, Rule 26(c)(1)(G).

8
9 3. All CONFIDENTIAL material produced by any party or person may be
10 revealed only to the following persons:

11 a. Counsel directly working on the above-entitled action and such counsel's
12 paralegals, secretaries, and clerical employees who are actively assisting in the preparation,
13 trial, appeal, and/or settlement of this action; and
14

15 b. Independent experts and consultants retained or consulted by counsel
16 concerning the preparation and trial of the above-entitled action, and who must rely on
17 CONFIDENTIAL information in connection with such retention or consultation; and

18 c. Court reporters and other persons involved in the recording of deposition
19 testimony in the above-entitled action.

20 d. Parties to the above-entitled action, and their agents, officers and
21 representative.
22

23 CONFIDENTIAL material may not be given, shown, or made available to any person
24 described within ¶ 3(b) OR (d) unless and until such person has read and signed a copy of a
25 declaration in the form attached hereto as Exhibit A ("Declaration"). The signed Declaration
26

1 must be retained by the attorney who obtained the signature.

2 4. At the conclusion of the action, including any and all appeals, unless otherwise
3 ordered by the court, all CONFIDENTIAL material, including all copies thereof, must upon
4 request and at the option of the producing party, be returned or destroyed. Any party to whom
5 the CONFIDENTIAL material was produced shall, upon demand, attest in writing to the return
6 of all CONFIDENTIAL material produced or its destruction.
7

8 5. Nothing in this Stipulated Protective Order will preclude any party from
9 applying to the court for additional or different protective provisions with regard to specific
10 documents, materials, or information if the need should arise during the pendency of the
11 litigation.
12

13 6. Nothing in this Stipulated Protective Order will restrict the use of
14 CONFIDENTIAL material in motions or at trial; provided, however, no party or non-party
15 shall file or submit for filing as part of the court record any documents under seal without first
16 obtaining leave of court. Notwithstanding any agreement among the parties, the party seeking
17 to file a paper under seal bears the burden of overcoming the presumption in favor of public
18 access to papers filed in court.
19

20 7. This Stipulated Protective Order will continue to be binding after the conclusion
21 of this action and will not be abrogated by any settlement or dismissal of this action.

22 8. If any person or entity requests or demands access to CONFIDENTIAL material
23 produced by the parties in this action, by subpoena or otherwise, counsel for the party receiving
24 the demand or subpoena shall immediately notify counsel of the party who produced the
25 CONFIDENTIAL material for which access is sought ("Producing Party") before responding to
26

or complying with the demand or subpoena. The Producing Party may, at its own expense, resist the production of such CONFIDENTIAL material by timely and appropriate process. Even if the party receiving the demand or subpoena has no objection to the disclosure, such party shall nevertheless invoke this Stipulated Protective Order and shall otherwise make reasonable efforts to prevent disclosure until final resolution of the Producing Party's objections to disclosure.

10. Nothing in this Stipulated Protective Order will restrict a party's use of its own documents and materials produced during the pendency of the action.
